

Sense of the UNLV Faculty Senate

The UNLV Faculty Senate categorically opposes Assembly Bill No. 148.

We are advised that the UNLV Police Department has and continues to oppose bills such as AB 148. The Faculty Senate opposed the introduction of more firearms on campus in 2007 and it opposes Assembly Bill No. 148 in 2015. The Faculty Senate endorses the current weapons policy at UNLV and opposes any change to weaken that policy.
